Oh here she goes again trying to persuade us to fill in forms ☹ the sooner everyone does it then It will be removed from this page ☺

We are required to review our Gift aid process by the HMRC. Gift aid provides the groups with approximately £2500 per year and all we need to do is submit the forms to HMRC for the claim. To make this as easy and simple as possible we have done an online form for you to complete. We can then collate all the returns. The link is below:
