Such an exciting half term. The scouts went to camp at Phasels Wood near Hemel Hempstead. Not the driest of camps but they did have a good time. Do have a look at the groups face book page for photographs of the camp.

You will by now have been given your Platinum Jubilee badges which need to be sewn onto your shirts or sweatshirts for beavers and cubs above the purple world membership badge.

So much happened in the last week with celebrations in London and local events too. Beacon lighting in Cheam Park and street parties. The 4th was happy to lend items for the street parties held locally. Many thanks to the residents of Braemar Road for making a donation to the group.

We held our own street party on our field on the 22nd May after the Scouts Own. Grateful thanks to all those who made cakes and the sandwich making factory team were excellent! Thank you to silver troop for setting up the tents, tables and chairs.

At the Scouts Own we had an excellent presentation by the Explorer unit. Well done. Some of the young people went

up to their new sections and service awards were presented to leaders in the group. As ever a huge thank you to all our leaders and congratulations to those who received awards.

The Summer Fair is on Saturday the 2nd July. The theme will be the Platinum Jubilee and the Events Team are organising this special day. Also, one of our biggest fundraisers of the year. We will need lots of help on the day and the week before to set up. Please put the date in your diary and be ready when you are asked "What can you do for the Summer Fair?"

Dates for your Diary in June.
