Welcome to the summer term at the 4th. Some of the section meetings will be on the field so remember to wear trainers and if it is slightly chilly take a jacket (that is named).

Talking of jackets, we do still have many jackets hanging up in the hall as well as a collection of water bottles and the two pairs of trainers (scouts) left in the lobby. **They will be going to the charity shop very soon if not claimed.**

Scouting did not stop over the Easter holidays. Some of the beavers from Birch and Cedar colonies enjoyed their first sleepover at the 4th after a fun day out.

The Explorers went on a night hike.

Two minibuses full of scouts, plus three explorers and leaders travelled to Snowdonia for Mountain camp.

Some of the Young Leaders did some training. It is also good to know that some of the young people in the group are working towards their Duke of Edinburgh awards.

Charterhouse are camping at the 4th this coming weekend with lots of activities planned.

Anglia cubs are holding a camp on the 13th to 15th May and they will be joined by Aspen beavers for one night only.
